Responsibility	School disburses funds to students	FFEL: Private lenders provide funds to schools to disburse to students Direct Loans: Federal government provides funds to schools to disburse to students	FFEL: Private lenders provide funds to schools to disburse to students Direct Loans: Federal government provides funds to schools to disburse to students	FFEL: Private lenders provide funds to schools to disburse to students Direct Loans: Federal government provides funds to schools to disburse to students	School acts as agent for US Dept of Education	School disburses funds to students	School disburses earned funds to students

Terms to Know:

Subsidized Loan: Borrower is not charged interest before repayment begins or during authorized periods of deferment.

Unsubsidized Loan: Borrower is charged interest from the time the loan is disbursed until it is paid in full.

Dependent Student: Undergraduate student whose parents provide more than half of their financial support. A dependent student is not married, is under 24 years of age, has no legal dependents, is not an orphan or ward of the court, nor a veteran of the US Armed Forces.

Independent Student: Student who is either married, 24 years of age or older, enrolled in a graduate or professional education program, has legal dependents other than a spouse, is an orphan or ward of the court, or a veteran of the US Armed Forces.

More About Loans...

Additional education funds can be borrowed through private loans (as known as alternative loans). To learn more about private loans, visit:
